

BEFORE THE WEST VIRGINIA BOARD OF MEDICINE

WEST VIRGINIA BOARD OF MEDICINE,

PETITIONER,

v.

MORRIS EARL HARPER, M.D.,

RESPONDENT.

SECOND AMENDED ORDER

Petitioner entered an Order on January 11, 1995, in this matter, and an Amended Order was entered on February 8, 1995, pursuant to Respondent's request for the same. Now, Respondent has advised Petitioner of his inability to fulfill the requirements of the Amended Order as to reimbursement to Petitioner on or before December 31, 1995, for all fees and expenses expended by the Board in connection with this matter. Respondent has requested an extension of time to complete the payments due and owed on or before April 30, 1996, and Petitioner finds good cause to again amend and does hereby again amend paragraph 4 of its January 11, 1995, Order, as amended on February 8, 1995, so that paragraph 4 shall now read as follows:

Dr. Harper shall continue to make payments to the West Virginia Board of Medicine on a monthly basis beginning on or before September 30, 1995, and on or before the last day of each month thereafter, of a minimum of one-thousand dollars (\$1000) per month, by money order or cashier's check, until all fees, expenses and costs for which he is to reimburse the Board pursuant

to an invoice from the Board to Dr. Harper for the same have been paid, and all fees, expenses and costs for which Dr. Harper is to reimburse the Board pursuant to the Board's invoice shall be paid to the Board by Dr. Harper on or before April 30, 1996. Dr. Harper shall be held to strict compliance with this requirement and no additional amendments to the Board's Order will be considered or made.

A copy of this Second Amended Order shall be appended to the Amended Order entered February 8, 1995, and appended to the January 11, 1995, Order, both of which in all other respects remain in full force and effect.

Entered this 15th of November, 1995.
